In December of 1826, a small group of believers joined their lives together to become the congregation of Macon's very first Baptist church. Today, more than one hundred eighty years later, this church continues its commitment to missions and ministry in the Macon community and around the world.

The congregation of First Baptist Church gathers for worship in the historic sanctuary at the "top of Poplar". The members of the First Baptist Church family endeavor to show their dedication and devotion to Jesus Christ through the church's many ministries. The Good News of Jesus Christ can be heard in word and music in our Sunday and Wednesday Worship Services, in our Sunday School, and throughout our church's many growth and service opportunities.

As you look for a church home and a church family, we invite you to become part of the "First Family" at Macon's First Baptist Church. To become a part of this community of believers is to join in an exciting and continuing story of a people who desire to worship God, follow Jesus, learn and teach the Bible, and serve God by serving others.
