Do you need a place to grow in your faith, meet people, make a difference?

At First Baptist Church of Christ, we believe that building relationships is essential to our spiritual journey.

Small groups are a great way to meet new friends, to grow in your relationship with God, to have fun, and to make a difference. Everyone is welcome to participate in a small group, whether a member, a friend of First Baptist from another church, or folk who are simply interested in a topic or event being offered.

We hope you will find a group that interests you—a group where you will feel cared for, challenged and inspired.
